	) <u><b>FOR ALLOWANCE</b></u>

Dear Sir:

In response to the Notice of Allowability and Fee(s) Due mailed August 22, 2008, Applicant submits the following comments regarding the Examiner's statement of reasons for allowance contained therein.

Reasons for allowance are only warranted in instances in which "the record of the prosecution as a whole does not make clear the Examiner's reasons for allowing a claim or claims." 37 C.F.R. § 1.104(e).

In the present case, Applicant believes the record as a whole makes clear the reasons for allowance and therefore no statement by the Examiner is necessary or warranted. Therefore, the record should reflect that Applicants do not necessarily agree with the Examiner's statement of reasons for allowance.

Applicants' claims should be limited only by the terms utilized therein. In the Notice of Allowability, the Examiner loosely quotes portions of the allowed claims in the statement of reasons for allowance. Therefore, the statement is inaccurate to the extent that the language varies from the language that is recited in the respective claims. Thus, Applicant hereby submits these Comments in an effort to ensure that the claims are properly construed based only upon limitations that are expressly present therein and/or to ensure that the claims are not interpreted so as to include any additional claim limitations that are not found in the respective claims.

Should there remain unresolved issues that require action, it is respectfully requested that the Examiner telephone the undersigned so that any such issues may be resolved as expeditiously as possible.

Respectfully submitted,

Date: August 26, 2008
